## DECODING STRATEGIES

WHEN CHILD  
GETS STUCK  
ON A WORD,  
ADULT CAN SAY:

"Check the picture."

**I Spy**

"Try that again,  
and think about  
what might make  
sense."

**Stop and  
Think**

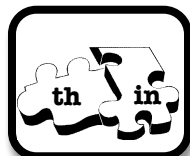

"Read that again,  
and get your mouth  
ready for the first  
sound."

**Try it**

"Slide your finger  
under the word  
while you say it  
slowly."

**Say and Slide**

"Look for a part  
that can help,"  
or "Cover the  
ending."

**Puzzle**

Don't stop the  
child, if the mistake  
makes sense in  
the sentence.
